OLE' ESSENZA ULTRA

Ultra Concentrated Perfumer

Professional use

SECTION 1: Identification

Fragranced and ultra-concentrated formulation that perfumes, sanitizes, deodorizes, cleans, and dusts environments and surfaces. It is effective in the daily cleaning of all hard surfaces, removing germs and bacteria thanks to its sanitizing action and reducing dust with its anti-static formula. Neutralizes unpleasant odours, releasing a fragrance into the environment that lasts for more than 48 hours in enclosed spaces. Ready-to-use.

SECTION 2: Chemical composition

Non-ionic surfactants (<5%); Cationic surfactants (<5%); Fragrances (5-15%); Preservative: Methylchloroisothiazolinone and Methylisothiazolinone (<0.05%); Water q.s. to 100%.

For the complete list of fragrances and sensitizing substances, please refer to the safety data sheet.

SECTION 3: Chemical-Physical characteristics

Appearance	: Clear Liquid
Colour	: Clear
Odour	: *depends on the chosen fragrance
pH	: 7

SECTION 4: Applications

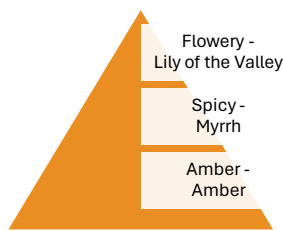

Liquid formulation ready-to-use suitable for use on all hard and washable surfaces, without the need for rinsing: treated marble, ceramic, clinker, linoleum also waxed, resin, wood and parquet treated with natural or synthetic waxes. Exercise caution to the surfaces to be treated, avoid contact with hot surfaces, natural leather fabrics, untreated marble, natural stones and wood. Only for professional use.

SECTION 5: Instruction for use

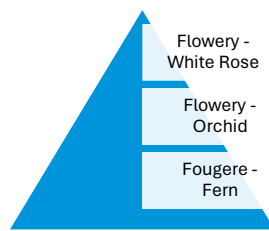

Depending on the desired function, the product has various ways of use.

PERFUMES	Spray the product in the corners, on the carpet, in ashtrays, or in hidden areas of the environment. Alternatively, you can dampen a cloth and place it strategically in the environment or add a few drops to the vacuum cleaner.
SANITIZES	Dampen a cotton cloth with the product and wipe it over the desired surface to remove germs and bacteria through mechanical action.
DEODORIZES	Mist the product onto a surface or pour a few drops directly into sink drains and showers.
CLEANSSES	Dampen a cotton cloth with the product and wipe it over the desired surface. For large surfaces like floors, add a few sprays of the product into a bucket of water.
DUSTS	Dampen a cotton cloth with the product and wipe it over the desired surface. For large surfaces like floors and walls, spray the product directly onto the mop or cloth.
