

GLASS + INOX

ULTRA

GLASS AND STEEL CLEANER

Description and Characteristics

HIMIX PROFESSIONAL GLASS + INOX ULTRA is an ultra-concentrated cleaner specifically designed for the cleaning of glass, mirrors, steel, and washable surfaces. Its high degreasing power easily removes grease, limescale, raindrops, soot, fingerprints, dust, and smog, leaving behind an invisible protective film on surfaces that delays the accumulation of dirt. It stands out for its rapid evaporation speed, leaving no streak.

- Ready-to-use
- Only for professional use
